The mechanic who fixes your car,
The hairdresser who gives you a new style,
The tradies who renovate your bathroom,
The medical professional who provides you with life-saving care,
The teenager who serves you a delicious kebab,
The soccer coach who encourages your kids,
The neighbours who feed your cat while you're away.

Refugees: They could be any of these people. And in different circumstances, they could be you.

**People seeking safety should be treated with decency, and provided with fair assessment.
Your vote can help make that happen.**
