

Community Conversations Corangamite Electorate

Conversations held in churches, pubs, cafes, community centres, universities and homes.

Hearing first-hand about the refugee determination process and the experience of a person going through it.

Age of Participants

After participating in this conversation, I believe that the process for people seeking asylum who come by sea should (Tick all that apply):

I will support a local MP who advocates for a fairer asylum process

I will support a local MP who advocates for people in offshore detention to be brought to safety in Australia
